ST22 160-205CM Ext Dining Table

Assembly Instructions

Before You Start

Warnings

- > We suggest that you retain these instructions for future reference.
- > Keep fittings out of children's reach and keep children well away from the assembly area.
- > Please ensure that this product is only used on firm, level ground.
- > We advise that you periodically check all fittings and re-tighten as necessary.
- > Please do not stand on your furniture.
- > Please avoid exposing the furniture to excessive heat or direct sunlight, as this can cause deterioration of the colour.
- > Wood will mellow and change colour over time, we recommend that ornaments and items placed on the surface are moved regularly for the first few months to prevent uneven mellowing.

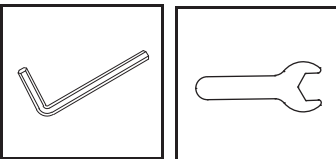

Number of People Required to Assemble

2 persons are required to assemble this item.

Time to Assemble

Approximately 20 minutes required to assemble this item.

Tools required

Missing Parts or Issues

If you are missing any fixtures and fittings for your furniture, or if you are unhappy with the condition of your furniture, please contact the retailer who you purchased this furniture from.

Do

- > We suggest you spend a short time reading through this leaflet before you start.
- > When you are ready to start, make sure that you have the right tools and plenty of space.
- > Unwrap all packaging materials and place components on a clean surface to protect them from damage.
- > We recommend that the packaging is used to protect the surfaces during assembly.
- > Carefully check that you have all parts before beginning assembly.
- > We recommend that the furniture is assembled in the room that it is intended to be used in.
- > Ensure the product is fully assembled as shown, and that all fixings are fully tightened before use.
- > Wipe occasionally with a soft cloth slightly dampened with water, then buff with a dry clean soft cloth.

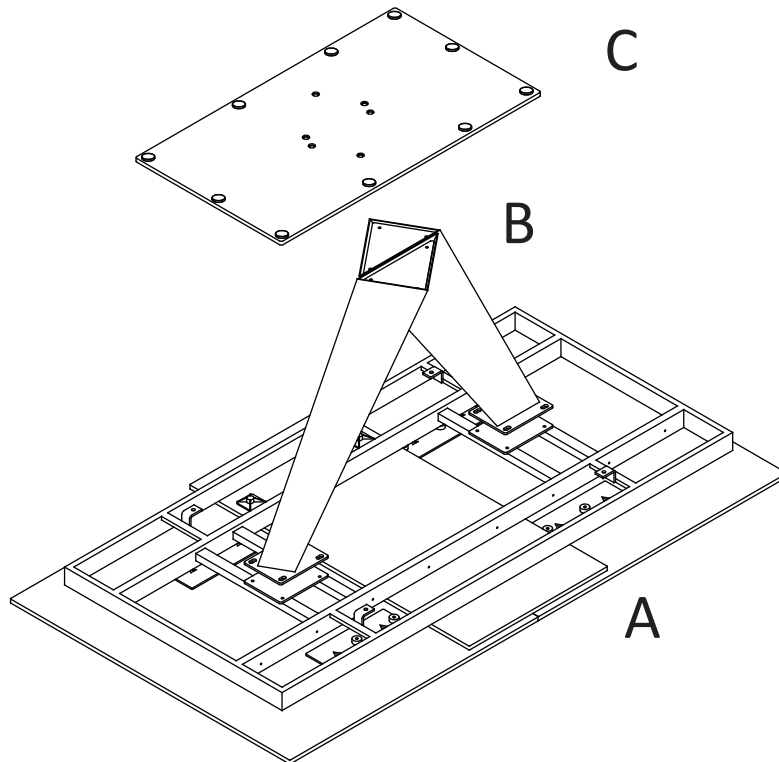

Don't

- > Do not drag or pull your furniture.
- > Do not use silicone based furniture polish. Silicone in furniture polishes can break down the finish.
- > Never allow any kind of liquid to remain on your furniture.
- > Absorption can cause wood to warp or finishes to delaminate.
- > Do not place hot items (e.g. hot drinks) directly on to the wood surface. Please make sure you use a placemat or coaster.

Assembly Instructions

How to.....

Align the table top sections

- The table top has 3x separate sections – 2x ends and 1x extension leaf.
- On delivery, or during the life of the table, the sections may need adjustment to eliminate gaps or straighten the edges between sections. This is normal and very easy to adjust.
- Each of the 3x top sections are attached to the frame with 4x hexagon fixings).
- Extend the table. Slightly loosen all the fixings. Physically move each of the sections until they are all aligned. Tighten all the fixings.
- Your table is aligned.

How to.....

Align the surface of your table across all sections

- The heights of the 3x table top sections can be raised and lowered to ensure you have a flat even surface.
- Each of the 3x top sections are attached to the frame with 4x hexagon fixings). Adjusting the heights is simple to do.
- Extend the table. Slightly loosen the 4x hexagon fixings of the section you want to adjust.
- Each fixing has a thumb wheel (shown below). Rotate the thumbwheel to raise or lower the table top until it's level with the next section. Tighten all the fixings.
- Your table is aligned.
